Comments from those in support
<i>Front garden all over grass dog mess and side of fence on the grass all way down and fed up with it.</i>
<i>My side is constantly being fouled</i>
<i>Whilst supporting the proposal it does seem a bit over the top when there are only 3 dogs in the close</i>

Comments from those in opposition
<i>There is a bin in Oaks Road and dog bins at either end of Knights Lane.If these are not being used then surely more enforcement is needed. For the record I am a dog owner and always clear up after my dog.</i>
<i>This is a waste of money, how many dogs are there in Charlecote close? This money would be better spent widening the entrance to oak road, which is very narrow and dangerous.</i>
<i>No need for said bin in the close</i>
<i>And lots more essays.....</i>

Recommendation by the Ward Member to the Lead Ward Members Review Meeting	Reject, but perhaps recommend that the dog warden and residents agree signage on the residents land where the problem arises.
